

and stimulate further research on the use, organization, and delivery of ambulatory care.

Users of NAMCS data include congressional and other Federal government agencies (e.g. NIMH, NIAAA, NCI, HRSA), State and local

governments, medical schools, schools of public health, colleges and universities, private businesses, nonprofit foundations and corporations, professional associations, as well as individual practitioners, researchers, administrators and health planners.

Users vary from the inclusion of a few selected statistics in a large research effort, to an in-depth analysis of the entire NAMCS data set covering several years. Total annual burden hours are 3,350.

Form name	No. of respondents	No. of responses/ respondent	Avg. burden/ response (in hrs.)	Total burden (in hrs.)
NAMCS:				
Induction	2,500	1	0.25	625
Patient Record	2,500	30	0.0333	2,500
COMPLEMENT:				
Induction	500	1	0.25	125
Patient Record	100	30	0.0333	100

Charles Gollmar,

Acting Associate Director for Policy, Planning, and Evaluation Centers for Disease Control and Prevention (CDC).

Centers for Disease Control and Prevention

Meeting

In accordance with section 10(a) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following committee meeting:

The National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC) announces the following meeting:

Name: Safety and Occupational Health Study Section (SOHSS) Second Task Group Session.

Time and Date: 1 p.m.-3 p.m., April 15, 1998.

Place: NIOSH Grants Office, Prete Building, Room B229, 040 University Avenue, Morgantown, West Virginia, 26505, telephone 304/285-6047.

Status: Open: 1 p.m.-1:15 p.m., April 15, 1998; Closed: 1:15 p.m.-3 p.m., April 15, 1998.

Purpose: The SOHSS Task Group Second Session will review, discuss, and evaluate grant application(s) in response to the Institute's standard grants review and funding cycles pertaining to research issues in occupational safety and health and allied areas and announcement number 807 entitled, "Mining Occupational Safety and Health Research Grants."

It is the intent of NIOSH to support broad-based research endeavors to keep within the Institute's program goals which will lead to improved understanding and appreciation for

the magnitude of the aggregate health burden associated with occupational injuries and illnesses, as well as, to support more focused research projects that will lead to improvements in the delivery of occupational safety and health services and the prevention of work-related injury and illness. It is anticipated that research funded will promote the program goals.

Matters To Be Discussed: Agenda items include welcome and introductions of the SOHSS Task Group instructions, and review of applications. Beginning at 1:15 p.m., through 3 p.m., April 15, the Task Group will meet to consider safety and occupational health related grant applications. This portion of the meeting will be closed to the public in accordance with provisions set forth in section 552b(c)(4) and (6), title 5 U.S.C., and the Determination of the Associate Director for Management and Operations, CDC, pursuant to Public Law 92-463.

Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Pervis C. Major, Ph.D., Scientific Review Administrator, Office of Extramural Coordination and Special Projects, Office of the Director, NIOSH, 1095 Willowdale Road, Morgantown, West Virginia 26505, telephone 304/285-5979.

Dated: March 25, 1998.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).

Advisory Council for the Elimination of Tuberculosis: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act

(Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following council meeting.

Name: Advisory Council for the Elimination of Tuberculosis (ACET).

Times and Dates: 8:30 a.m.-5 p.m., April 14, 1998; 8:30 a.m.-12 p.m., April 15, 1998.

Place: Corporate Square Office Park, Corporate Square Boulevard, Building 11, Room 1413, Atlanta, Georgia 30329.

Status: Open to the public, limited only by the space available. The meeting room accommodates approximately 100 people.

Purpose: This council advises and makes recommendations to the Secretary of Health and Human Services, the Assistant Secretary for Health, and the Director, CDC, regarding the elimination of tuberculosis. Specifically, the council makes recommendations regarding policies, strategies, objectives, and priorities; addresses the development and application of new technologies; and reviews the extent to which progress has been made toward eliminating tuberculosis.

Matters to be Discussed: Agenda items include development of new vaccines for TB; discussions on the 1997 TB surveillance report; TB treatment and preventive therapy; prevention activities around global TB; and developing long term priorities for TB elimination. Agenda items are subject to change as priorities dictate.

Contact Person for More Information: Beth Wolfe, National Center for HIV, STD, and TB Prevention, 1600 Clifton Road, NE, M/S E-07, Atlanta, Georgia 30333, telephone 404/639-8008.

Dated: March 25, 1998.

Carolyn J. Russell,

Director, Management Analysis and Services Office, Centers for Disease Control and Prevention (CDC).
